**March Riddle:**

WORLD'S TRICKIEST "GOLF TEES"

"Ever since Silvio Corte made that golf tee bet with me last week I can't concentrate on my game. At this rate, I'll never win another club tournament!"

Nelda Niblick, the lofty amateur women's champion of the Idle Hours Country Club, has been put off her game by one of Silvio's famous 19th hole wagers. He bet Nelda a new set of irons that she couldn't arrange 24 golf tees in such a manner that they would form four perfect squares.

Can you help her beat Silvio at his own game before tee-off time???

The first 3 correct answers will receive a baseball cap.
